Employment of foresters to assist the Investigating staff in connection with the fuel settle arrangements

Sir,

With reference to your letter No MI-GL 137/Heb-2 dated 14-2-47 on the above subject, I am directed to enquire whether the pay of the Forest Ranger is met by the Forest Department or by the Mysore City Municipality and if not by the latter what charges do these officers draw? How long have these officers been working? If they were not given the services of foresters all along

What is the necessity for it now? What is the no of persons employed in the office of Supdtt of Police? What is the income from the Levy like Charges for the last 3 years and what is the Expenditure incurred thereon? Is it not necessary to reduce the establishment Charges incurred under this head as it is showing a tendency to rise? The scale of pay and allowances of the officers and officials and menials employed in this connection may also be carefully scrutinised

Thanks
Sam
